Proceedings of the Government of His Highness the Maharaja of Mysore.

ORDER - 1836 Med 59-11-1
95-9-11.

In replacing the services of Lieut.Col. J. Smyth M.D., I.M.S., at the disposal of the Government of India, the Government of His Highness the Maharaja of Mysore desire to place on record their appreciation of the valuable services rendered to the State by that officer. Lieut.Col. Smyth entered the service of the State in 1897 as Durbar Surgeon, was Surgeon in charge of the Victoria Hospital from 1900 to 1904, and from 1904 to 1911 Senior Surgeon and Sanitary Commissioner and ex-officio Inspector General of Prisons.

2. He was prominently associated with the construction and equipment of the Victoria Hospital, of which he was the first Surgeon in charge. His zealous and conscientious work in that institution has largely contributed to its becoming one of the most successfu

Hospitals in South India. The Minto Ophthalmic Hospital now under construction also owes its inception to him.

3. On the return journey from his last furlough, Col. Smyth undertook a tour in Japan and has furnished a set of most interesting and instructive notes and suggestions relating to the Medical and Sanitary Departments. The cordial acknowledgments of Government are due to Col. Smyth for the ready co-operation and well-considered advice which he always gave to Government in all matters affecting the Medical and Sanitary Department.

His Highness the Maharajah desires to publicly acknowledge the zealous & whole-hearted work which Lt. Col Smyth has done in Mysore & wishes him every success in his future

Secretary to Government.

The Senior Surgeon and Sanitary Commissioner.
